Dear Mr. Bleymaier:

On September 17, 2008, a follow-up revisit survey of your facility was conducted to verify correction of deficiencies noted during the Complaint Investigation and state Licensure survey of August 7, 2008. Emmett Rehabilitation & Healthcare, Inc was found to be in substantial compliance as of **September 5, 2008**.

Your copy of a Post-Certification Revisit Report, CMS Form 2567B, listing deficiencies that have been corrected is enclosed.

Due to the fact that your facility is now back in substantial compliance, submission of weekly monitoring reports is no longer required. Also, enclosed is your full license effective **September 18, 2008 until December 31, 2008**.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

LORETTA TODD, R.N.
